As we dash to the end of the first half term I have some last minute updates to share with you. Thank you for your support which has helped the children have a super start to the school year.

Karen Crawley

We are pleased to welcome Mrs Deborah Hannaford, the Principal at Millfield Primary in Littleport, another member of The Elliot Foundation Academy Trust, who is going to be working with us this year providing temporary school improvement support. I am sure you will see her around school and have the opportunity to meet her.

Harvest Singing

It has been lovely to see so many parents and visitors at our Harvest Assemblies. If you would like to donate a packet or tin they will be passed on to Wisbech Food Bank.

Thank you for donations already received.

Reminder – Parent Consultations on Monday 15th October from 1.40pm – 6.00pm.

We still have many times left for you to come and see your child’s teacher and receive their first report for this year. Lists are outside the school office or can be made by phone. If you would like your child present at the meeting, they are welcome too.

Attendance matters!

Our attendance target for this year is 97%
Currently:
Nene’s attendance is 94.66%
Ramnoth’s attendance is 96.87%
Help us reach our target!
Here every day, on time, ready to learn!

School closes on Friday 19th October and re-opens, for children, on Tuesday 30th October at 8.50am.

I hope that you all have a happy, healthy holiday!
